

Navigating Tropicana

Navigating Tropicana hotel and casino can be challenging. If you are familiar with the hotel, please ignore the directions below.

The main conference events will take place in the South and North towers of Tropicana. Conference Registration will be in **Grand Exhibition Center**. It is located on the 4th floor of the South Tower. Hotel lobby and check in desk is on the 2nd floor of the South Tower.

If you choose to valet, you will find yourself on the 2nd floor, right by the hotel lobby and check in. Just make your way to the 4th floor to the Grand Exhibition Center to check in for the conference.

If you choose self-parking, please use the following directions from self-parking garage to the conference registration.

The self-parking garage is in the Havana Tower of the Tropicana. After you park, please make your way to the elevator, and go to the C (casino) level. Enter the hotel and make a right by the Wild Honey restaurant. Follow the path along the restaurant to a small elevator in the corner. Take the elevator to the 2nd floor (shopping, restaurants, casino). Follow the signs for the casino. When you reach the fountain square, make a right following sign for the Exhibition Center. You will see a set of escalators in front of you. You can take the escalator down to the hotel lobby and hotel check in. If you take the escalator up, it will bring you to the Grand Exhibition Center where you can check in for the conference.

Conference sessions will be in the North Tower (Salons 1-4). Make a left from the Grand Exhibit Center and follow signs for the North Tower and Ballroom.
