Part C: Continuing Education Contact Hours

List in chronological order the continuing education contact hours you have accumulated during this five year renewal cycle. List only those credits that have already been approved by Rutgers CGS. If you have sought approval for non-Rutgers CGS courses and have submitting *Multi-Purpose Continuing Education Forms* either before or after attending the applicable programs, you must submit copies of these documents with this renewal application. See the *Multi-Purpose Continuing Education Form* for specific information on the associated documents that must also be submitted.

If you have attended programs and have not sought approval for them, you must complete a continuing education form and provide the required information with this application.

Contact hours: Administrative contact hours typically involve courses/programs that are administrative in nature such as computer and human resources topics. Technical contact hours cover topics specifically related to land use. Please indicate the type of credit associated for each program you attended.

Please indicate "A" for Administrative and "T" for Technical.
