This series of continuing education courses is designed to train potential municipal tax assessors and county tax board members in the duties and responsibilities for property tax administration and assessment. The program fosters the development of the assessors’ staff and serves as general preparation for the New Jersey State Certified Tax Assessors (CTA) examination. The courses are not a prerequisite for the CTA examination, but are suggested. Newly appointed Tax Board Commissioners are required to take the 48-hour Property Tax Administration course and the two International Association of Assessing Officers (IAAO) appraisal courses or their equivalent offered by the Center for Government Services (CGS). The coadjutant faculty is composed of experienced individuals from state, county, and local government, and the private sector.

Courses are scheduled during the fall, spring and summer semesters throughout the state. Announcements containing specific course information are available each semester and may be found on the Center’s website: www.cgs.rutgers.edu

Enrollment: A student may enroll in a CGS course in several different ways. Mail-in registrations, faxed registrations, in-person registrations at the CGS offices, and online registrations (with credit card or e-check only) are accepted prior to the start of the course. Before a student is officially enrolled in a course, payment must be authorized or secured, and the student must meet all prerequisites associated with the course. A student who has a delinquent account with CGS will not be permitted to enroll in any additional CGS courses until the delinquency is resolved. Go to http://cgs.rutgers.edu and click on the “Register Now” button on the homepage (NEW).

To ensure that course materials are available the first session of your course, it is strongly recommended you register at least one week prior to the course start date.

In-person registrations at the course location on the day of the first class are considered “walk-ins.” Walk-ins are accepted but not encouraged and will be assessed a $15 late registration fee. In addition, walk-in students must complete an “Agreement-to-Pay Form” and will be contacted by CGS immediately after the first class. Walk-ins must make full payment of all fees or provide a valid purchase order within five business days of the first class. Walk-ins already on financial hold will not be permitted to complete their registration unless the delinquency is resolved.

Course Fees and Payment: Payment for a student’s participation in a course can be obtained by using any of the following three methods:

- Credit card payment (Visa, MasterCard, Discover or American Express) AVAILABLE ONLY THROUGH ONLINE REGISTRATION (http://cgs.rutgers.edu)
- Check or money order payment by mail or in person
- Authorized voucher or purchase order received via mail or fax

Actual course fees vary per course as courses have different hours of instructional time and the cost of study materials are dissimilar. Upon receipt of a completed registration form and payment, a class space is reserved for the student. Confirmation letters regarding registration will not be sent.

Late Fees: Students are required to register for classes before the date of the first class session. Any student who attempts to register on (or after) the day of the first class will be considered a late registrant and will be assessed a $15 late fee for the processing of the registration.
Returned Check Fee Policy: There is a $25 fee for all checks that are returned to CGS. Failure to pay the fee will prevent future course registrations and the withholding of the course certificate.

Course Cancellation Policy: CGS reserves the right to cancel any course or seminar. CGS will notify all students enrolled in a course that has been cancelled and the information will be posted on the CGS website. Students will be given the choice of receiving a full refund for courses cancelled by CGS or the option to enroll in the same or another course in this or the following semester. In the event there is a difference in course fees between the course that was cancelled and the alternate course, an adjustment will be made. A student may not select an alternative course that has a prerequisite if the prerequisite has not been met.

Withdrawals/Transfers: All requests to change registration status, either by withdrawal or transfer, must be submitted in writing at least 2 business days before the course start date, or will incur a $25 processing fee. Withdrawals will be refunded, minus the $25 fee. Failure to notify CGS within the time frame will result in forfeiture of all fees.

Financing: If financing is needed, apply for the Sallie Mae Smart Option Student Loan as soon as possible at www.salliemae.com/00262990.

Education Credit: Selected courses in the CGS program qualify for continuing education credit toward renewal of certain professional licenses and academic credit. The CGS website lists the specific courses where continuing education credit is available.

CPE Continuing Education Credit: Selected courses in the CGS program are approved by the New Jersey State Board of Accountancy for CPE credit under Rutgers University sponsor #703.

Certificates: Certificates are mailed to students after the successful completion of each course, which is defined as 80% attendance of the class hours, a passing grade (if an examination is required) and full payment of all fees. A permanent record of courses taken is maintained by Rutgers. Certificates will not be issued to students if any fees are outstanding or delinquent.

Special Needs Students: Students with special needs are encouraged to contact CGS so that appropriate accommodations may be made.
