2019 BUILDING SAFETY CONFERENCE OF NEW JERSEY

Wednesday, May 1
Thursday, May 2
Friday, May 3

BALLY’S ATLANTIC CITY
Atlantic City, NJ
Open to public

Free networking event sponsored by
Building Safety Conference of New Jersey Committee
Municipal Electrical Inspectors Association
Municipal Construction Officials of NJ
NJ Plumbing Inspectors Association
NJ Fire Prevention and Protection Association
Building Officials Association of NJ
NJ Association of Technical Assistants

Bally’s Atlantic City
(1900 Pacific Ave, Atlantic City, NJ)
Bally Room (6th floor)

Wednesday, May 1, 2019
4 PM - 8 PM
Maytober Fest

Come celebrate with the recipients of the Code Enforcement Persons of the Year awards in a joyous atmosphere of Octoberfest in May! It’s all about celebration, delicious food, favorite music, and good friends!

Center Stage Entertainment will help get us in the party mood with songs, contests and giveaways. They’ve even provided a link to request your favorite songs!

TheRequestList.com/h8gf

Please enter this link in your internet browser to check their music library, select requests, and include special notes about the requests you make for that special song for the reception this year!

Don’t forget to request Polka, the Chicken Dance and to practice your yodeling!

FRIDAY, MAY 3

6:15AM-8:15AM REGISTRATION Conference Floor

6:00AM-7:45AM BUFFET BREAKFAST Ocean Ballroom Conference Floor

8:00AM-1:00PM CONTINUING EDUCATION SEMINARS

FRIDAY, MAY 3

6:15AM-8:15AM REGISTRATION Conference Floor

6:00AM-7:45AM BUFFET BREAKFAST Ocean Ballroom Conference Floor

8:00AM-1:00PM CONTINUING EDUCATION SEMINARS
CONTINUING EDUCATION SEMINARS

Many of the following seminars are available through the regular Spring 2019 education program, and some have been offered in previous semesters. Please select carefully, as credit will not be given for any seminar which has already been completed. The Division of Fire Safety will award reciprocal credit for those seminars marked with O. The Board of Electrical Contractors will award reciprocal credit for those seminars marked with P. Approval for reciprocal credit with the Board of Electrical Contractors is pending for the electrical seminars marked with P.

* The Board of Electrical Contractors will award reciprocal credit for this seminar
* Approval for reciprocal credit from the Board of Electrical Contractors is pending for this seminar
* The Division of Fire Safety will award reciprocal credit for this seminar
* SC Structural Concrete and Masonry special inspector
* SS Structural Welding/Steel Bolting special inspector
NEW 2018 IRC WALL BRACING MADE SIMPLE
Instructor: Richard Perlman
Credit: building
This seminar is designed to present the provisions of the 2018 International Residential Code sections R602.10 to R602.12 in a simple and easy to understand format. Participants will review such topics as braced wall lines, intermittent and continuous sheathing methods, simplified wall bracing, alternate braced walls, portal frames, attachment methods, and spacing criteria with clear and simple explanation of the associated text and tables. 0.5 CEU

NEW 2018 IMC/IFGC SIGNIFICANT CHANGES
Instructor: International Code Council
Credit: building, fire protection, plumbing, mechanical, boiler, pressure vessel and refrigeration
This seminar introduces participants to the major changes from the 2015 IMC and IFGC to the 2018 IMC and IFGC. Participants will discuss the changes, reasons for the changes, and take part in the knowledge review activities. Information presented will allow participants to apply new code requirements to design, plan review, and/or inspection. 0.5 CEU

NEW 2018 NATIONAL STANDARD PLUMBING CODE AND ICC CODE CHANGE UPDATE
Instructor: Fritz Reuss
Credit: plumbing
All code changes to the 2018 National Standard Plumbing Code as compared to the 2015 NSPC are reviewed. In addition, applicable code changes within the 2018 International Mechanical Code and International Fuel Gas Code, for which the Plumbing Code Official is responsible, are also evaluated. The reason behind the change is presented to better understand the code change. 0.5 CEU
Spouse's Registration

The 2019 Building Safety Conference will offer a spouse registration which includes the opportunity to attend any and all of the conference events you select below. Please indicate your choices for the Welcome Painting Party Event, Breakfasts, Awards Luncheon, and/or the Awards Reception on the Registration Form below.

The registration fee for spouses is $149. To register a spouse, please complete the Registration Form below, detach, and return it to us along with the Inspector's Registration Form and complete payment. (Make check payable to: Building Safety Conference of New Jersey) for detailed registration instructions, please turn to the Registration section of this brochure.

NOTE: Be sure to fill out this form completely including the selection of ALL activities you will be attending.

Friday, May 3, 2019
☐ Special Spouse Breakfast – Arturo’s Restaurant (Conference floor) (8:00 AM - 10:00 AM)
cross connection control. It discusses principles of backflow prevention and credit, fire protection, plumbing.

D174 THE RELATIONSHIPS OF THE ENFORCING REGULATIONS
Instructor: John Daniels
Credit: administrative, fire protection, hotel/multiple dwelling
This seminar is designed to enhance the participants’ knowledge of the relationship between the regulations. These changing regulations require an understanding of how they connect to each other and how they ultimately have an effect on everyone. A review of the direct and indirect references will show this relationship. A resource method is shown that will enable participants to identify other enforcing agencies and their contact information. 0.5 CEU

D331 NEW SELECTION AND INSTALLATION OF THE PROPER TYPE OF CROSS-CONNECTION CONTROL REQUIRED AND THE FIELD TESTING PROCEDURES FOR THIS PROTECTION
Instructor: IAPMO
Credit: fire protection, plumbing
This seminar explains the theory and principles of backflow prevention and cross connection control. It discusses code requirements and state and federal regulations related to the proper selection of backflow prevention protection along with installation procedures and necessary testing and maintenance of this protection. Participants will review a wide range of methods, devices, and assemblies available for use with domestic water systems, irrigation systems, fire protection systems, and mechanical systems to provide cross connection control and backflow prevention. 0.5 CEU

A725 NEW THE UCC CHALLENGE. 2019 EDITION
Instructor: Dennis Pino, Nick Fabiano, Patrick Reardon
Credit: administrative
This high-paced interactive seminar is developed for all disciplines and all agency staff. Participants will discuss numerous real-life UCC scenarios from ordinary maintenance to reconstruction projects. From construction permit requirements to certificate issuance; a positive proactive seminar featuring the "counter of doom" where we challenge the misconceptions, bust the myths and provide the facts with the intention to promote uniform compliance amongst our agencies. 0.5 CEU

D345 (pending) NEW UNDERSTANDING RESIDENTIAL SWIMMING POOL REQUIREMENTS
Instructor: Northeast Spa & Pool Association
Credit: building, electrical, plumbing
This seminar provides the participants with an overview of the code requirements for aboveground, inground, portable spas and permanent hot tubs. The International Code Council in collaboration with the Association of Pool and Spa Professionals developed International Swimming Pool and Spa Code (ISPSC). This seminar covers the 2018 edition of the ISPSC with focus on areas that are either new or changed from previous codes. Key elements in code review are barrier requirements, entrapment prevention, and electrical grounding & bonding. 0.5 CEU

FRIDAY, MAY 3
E313 (pending) NEW 2017 NEC/DCA CODE UPDATE - 2 DAY
Instructor: Tom Pernal Electrical Seminars, LLC
Credit: electrical
This seminar provides participants with information about the most significant changes in the 2017 National Electrical Code. The presentation is based on the International Association of Electrical Inspectors’ “Analysis of Changes”. Modifications to the NEC as set forth by The State of NJ are covered as applicable. 1.0 CEU

D340 NEW 2018 IRC PERFORMING RESIDENTIAL MECHANICAL INSPECTIONS
Instructor: International Code Council
Credit: building, fire protection, plumbing, mechanical, boiler, pressure vessel and refrigeration
This seminar focuses on the key changes from the 2018 International Residential Code (IRC). The details provided enhance participants’ understanding of mechanical terminology, equipment, materials and methods of installation as related to residential construction. This seminar concentrates on the mechanical portion of the IRC along with the appropriate portions of the International Fuel Gas Code and the International Energy Conservation Code. It covers the minimum requirements for residential mechanical inspections. Participants will also discuss major portions of a residential plan. This seminar provides information necessary for the residential mechanical inspector to perform inspection tasks that are consistent with the requirements in the 2018 IRC. 0.5 CEU
D341  NEW
2018 IRC SIGNIFICANT CHANGES
Instructor: International Code Council
Credit: building, fire protection
This seminar reviews and analyzes selected significant changes from the 2015 IRC to the 2018 IRC. It familiarizes participants with many of the significant changes in the 2018 IRC and assists code users in identifying the specific code changes that have occurred, and more importantly, understanding the reason behind the change. Finally, it focuses on those code changes selected due to their frequency of application, special significance or change in application. 0.5 CEU

D342  NEW
CODE REQUIREMENTS OF CONCRETE SPECIAL INSPECTION
Instructor: International Code Council
Credit: building, special inspector (concrete)
This seminar focuses on the code basis of concrete special inspection requirements. Topics include an overview of ACI 318-14 and IBC 2015 and subsequent sections as related to concrete special inspection program. An overview of the reinforcing placement requirements and tolerances is also presented. 0.5 CEU

D349  NEW
ENERGY CODE FOR UCC SUBCODES 2018 IRC
Instructor: Dennis Pino, Nick Fabiano, Fritz Reuss
Credit: building, electrical, plumbing, mechanical
This seminar is a definitive breakdown of R-5 single-family energy code elements in the 2018 IRC. It is designed to promote positive change and provide a complete overview of energy efficiency elements with a detailed focus on assigned subcode responsibilities for both plan review and inspection. From permit application to certificate issuance, this seminar busts the myths, challenges misconceptions and provides facts. Included are permit and construction plan elements, compliance documentation, energy codes, code change, and an overview of the rehabilitation subcode energy elements. 0.5 CEU

D287  INTRODUCTION TO SPRINKLER SYSTEMS
Instructor: Fire Smarts, LLC
Credit: fire protection, hotel/multiple dwelling
This seminar is a high level overview on fire sprinkler systems, their history and objectives. The three required components for a sprinkler to function are examined: automatic sprinkler; water supply, and the connection (piping) between the two. In addition, this seminar covers the four major types of sprinkler systems and the associated components. Basic installation requirements are reviewed along with system acceptance. 0.5 CEU

D265  NAVIGATING THE UCC REHAB SUBCODE
Instructor: John Daniels
Credit: administrative, building
This seminar reviews all types of rehab work and is designed to enhance the participant’s existing knowledge and understanding of the rehab subcode. Participants will use actual projects to develop a methodical approach to navigating the rehab subcode and ensuring proper enforcement. The sections of the referenced codes that are applicable are also discussed. Participants should bring a current UCC administrative book to the seminar. 0.5 CEU

A722  NEW
FIVE STAR LEADERSHIP 2 - COMMUNICATION BREAKDOWN
Instructor: Richard Perlman
Credit: administrative
This seminar is designed to help Code professionals communicate effectively and listen with comprehension. Participants will learn communication techniques to successfully deal with design professionals, contractors, business owners, homeowners and staff. Participants will gain an understanding of how to communicate the complex subject matters of the Uniform Construction Code, the I-Codes and standards in a simple and easy to understand manner. They will learn to present ideas and data with clarity, credibility, conviction, and inspiration to avoid a breakdown in communication. 0.5 CEU
GENERAL INFORMATION

The registration fee is **$199 per person**. The registration fee includes **ANY AND ALL EVENTS** you select on your registration form.

Please return the Registration Form(s) with complete payment. All payments must be received in this office by **Friday, April 19**. If this is not possible, you must bring cash or a personal check to be paid at the Conference registration. Make check, money order, or voucher payable to **Building Safety Conference of New Jersey**. No vouchers will be accepted after **Monday, April 1**. For detailed registration instructions please see the “Registration” section of this brochure.

**Confirmations** will be sent approximately 10 days before the conference. **Bring your confirmation** with you to the registration booth to receive your conference packet which includes your activities, tickets, name badge, etc. If your fees have not been paid you will be directed to the problem registration area.

NEW

“EARLY BIRD” REGISTRATION DRAWING

Conference registrations received on or before March 26th will be entered into a drawing for not only 1 free 2019 Conference Registration, but also, a free 2-night stay at Bally’s Atlantic City for the Conference on May 1st and 2nd!

HOTEL RESERVATIONS

It is strongly recommended that any hotel reservations for the 2019 conference be made through Bally’s internet registration system, using the internet link below:

https://book.passkey.com/go/SB04BU9

Reservations can also be made by telephone directly with Bally’s. To make reservations, you may call **888-516-2215** (8 am - 2 am EST seven days a week). The name of the group is listed as **Building Safety Conference of NJ**. Please reference the group code **SB04BU9 Bally’s**.

Hotel reservations must be made no later than **TUESDAY, April 9th, 2019**.

The conference rate per night is quoted per room, single or double occupancy, at the **new lower rate of $82** for hotel rooms, $20 extra per person. Please be aware that Atlantic City imposes a $2 Tourism Fee, $3 State Occupancy Fee, and $10 Resort Fee for each hotel room per night plus room tax of 14% (tax is subject to change); which is not included in the Building Safety Conference room rate. When issuing a check, money order, or voucher, please be sure to include this fee for each night you book a room. To ensure that you are charged the special conference rate, you must (1) tell the operator that you will be participating in the Building Safety Conference of New Jersey, group code **SB04BU9 Bally’s** and (2) make your overnight reservation with the hotel by Tuesday, April 9th, 2019. After this date, the conference rate will no longer be available. You must use your credit card to guarantee your reservation. Check-in time at the hotel is 4:00 PM. The hotel requires that you have a credit card with you at the time of check in. Check-out time is 12:00 noon. We encourage you to use Express Checkout; instructions are available in your hotel room.
CONFERENCE
REGISTRATION INSTRUCTIONS

1. Choose the seminar(s) you would like to attend from those listed in the brochure. Remember to select one seminar for each day you are attending the conference. We also request that you indicate a second choice since many classes fill up very quickly.

2. Complete the registration form, providing all information requested. Indicate your seminar choice(s) by marking an “A” (first choice) and a “B” (second choice) for each day you attend the conference. If someone accompanying you will be registering under the spouse registration, please be certain to indicate this on the form, and include the completed Spouse’s Registration Form, found in this brochure.

3. Fill out all sections of the registration form and answer all the questions.

4. Payment must be made via check, money order, or voucher, and must be made payable to the Building Safety Conference of New Jersey.

Please note that a voucher will reserve your seminar space, but this office MUST receive your payment prior to the conference.

No vouchers will be accepted after April 1st, 2019.

Our Federal Tax Identification number is 22-2777775.

Any payment that is made out incorrectly will be returned to the sender, resulting in a delay in registration.

5. Detach the completed registration form(s), enclose payment, and mail to:

Building Safety Conference
c/o DCA Education Unit
PO Box 802, Trenton, NJ 08625-0802

*Please DO NOT make checks payable to DCA*

Note:

The **FINAL DEADLINE** for receipt of all registration forms and payment is **April 19th, 2019** (unless payment is made by voucher, in which case it must be received by **April 1st**). Paperwork received after this date will not be accepted.

**NO REFUNDS** will be honored unless requests are received by DCA, in writing, no later than **Wednesday, April 24, 2019**.

6. Take advantage of the “Early Bird” registration special offer (see page 16)
