COURSE INFORMATION

The Regulations for Maintenance of Hotels and Multiple Dwellings require that the inspectors and officials who enforce the hotel and multiple dwelling regulations within their jurisdictions obtain a license. The Rutgers University Center for Government Services, in cooperation with the New Jersey Department of Community Affairs, offers the training courses for these professionals.

Inspector of Hotels & Multiple Dwellings - 60 Hours
Inspectors of Hotels & Multiple Dwellings are authorized to carry out field inspections of hotels and multiple dwellings within an enforcing agency such as a municipality or for the state of New Jersey under the supervision of a licensed Housing Code Official. This course discusses the duties required by inspectors of hotels and multiple dwellings and prepares students to take the national certification exam necessary to become a licensed inspector. Students should take this course if they wish to obtain an Inspector of Hotels & Multiple Dwellings license, if they require a better understanding of the regulations, codes, and law, or if they have received a license under the special provisions of the licensing rules but still need additional guidance.

This 60-hour course includes 54-hours of classroom instruction plus a mandatory one day field inspection. Course instructors provide field inspection details as soon as they are available but students must make the necessary arrangements to attend on the scheduled date.

Student Tuition
Student tuition is $300 for each course. Payment can be made in the form of check, money order, or purchase order. All payments must be made payable to “Treasurer, State of New Jersey.” A refund will be issued to any student who notifies Rutgers in writing of his/her intent to withdraw at least 2 business days before the course is scheduled to start. The University reserves the right to cancel any course or seminar.
