

INVENTORY OF MUNICIPAL FORMS OF GOVERNMENT
IN NEW JERSEY

As of July 1, 2011

The following inventory has been drawn from the database used for the 2011 New Jersey Legislative District Data Book. That volume, published by the Center for Government Services, includes extensive additional information about each of the municipalities listed.

The inventory is presented in two parts:

- (1) the first part lists all municipalities in the state in alphabetical order by county;
- (2) the second part shows the municipalities grouped by form of government:

- Municipal Manager Form (1923 Law)
- Borough Form
- City Form
- Commission Form
- Optional Municipal Charter Law: Council-Manager Form
- Optional Municipal Charter Law: Mayor-Council Form
- Optional Municipal Charter Law: Mayor-Council-Administrator Form
- Optional Municipal Charter Law: Small Municipality Form
- Special Charters
- Town Form
- Township Form
- Village Form

In these listings, municipalities are shown in descending order of population.

- (3) A summary page is included between the two above parts.
